

## ***Links with Limestone City Voices in support of The Mess Studio***

A portion of the funds raised will go to The Mess Studio. The Mess Studio has learned that those who struggle with poverty, addiction, and mental/physical health often lack the informal socialization with people who come from diverse socioeconomic backgrounds.

The Mess Studio is a safe place to create and relate! At the heart of The Mess Studio are people who struggle with issues of brokenness and poverty. They have been building community in Kingston, Ontario since November 2009.
